

After School Science Fun!

Emergency Room 101

Thursday, Nov. 30, Dec. 7 and 14, 2017

3:15-4:45 PM for Grades 1-5

\$48.50/Student in Room 235

In the Emergency Room you will become a student doctor as you learn about the human body and basic first aid through plenty of hands-on activities. You will explore the respiratory, circulatory, skeletal, and other systems. Plus, participate in mock emergency situations, create a basic first aid kit, and more when you join us in the emergency room.

To Enroll

Registration will open November 6 at 8AM and is available through PACT's online payment system, look for STEM under Elementary Programs. Limited Class Size! Maximum for the class is 16 students. Once the class is filled, the class option will be removed from the online payment system.

Note: This activity will be held in a "nut aware" room, please send snacks without nuts for your child.

Questions?

Email Pact Charter School at
stem@pactcharter.org.
Or please call Science Explorers at
763-544-5441.

By registering my child for after school classes, I am allowing photos or videotapes of my child to be displayed publicly in PACT Charter School publications and communications.
