Welcome to Providence Academy. We ask that your team bus use the frontage road entrance (east of the main gates) to PA and park behind the school. This should provide the least delays before and after the game.

**Teams & Officials:** enter the Gym through Door number 17.

**Teams:** if you would like the use of a locker room please let me know ahead of time. Once on campus I will direct you there.

**EVERYONE MUST STAY ON THE LOWER LEVEL EITHER IN THE GYM OR LOCKER ROOM. NO STUDY SPACE WILL BE PROVIDED.**

**Officials:** You will have access to the locker room before the match and after.

**Parents:** should enter the main gates and park in the west side of the lot (closest to the stadium). From there they will enter door 2 that is labeled "Gym Entrance" and follow the signs down stairs to enter the gym.

**We do charge admission and there will be concession available.**

**Trainer** will be available for serious injuries.

Any issues feel free to contact me.
