

Art

After Hours

Classes are held on Thursdays from 2:15-3:15 pm for grades 5-8.

Art After Hours is an after school club focusing on basic drawing and composition techniques. Students will be completing projects using high-quality artist materials and guided help from PreK-6th Grade Art Teacher, Ms. Buchelt. The class fee allows your child to have their own individual set of artist supplies to assure their health and safety. The student will get to bring home any remaining supplies after the final Spring Workshop.
